PRESS RELEASE N° 01 / FECAFOOT/DMC/2022

The Cameroon Football Federation wishes to inform the national and international public opinion that the independent sportswear "ONE ALL SPORTS" has been selected by the ad hoc committee set up within the framework of the international call for tenders launched with the aim of recruiting a new equipment supplier for FECAFOOT. The Cameroonian Football Federation and the equipment supplier "ONE ALL SPORTS" will enter into a three-year agreement. Within the framework of the execution of this agreement, which has already been approved by the Executive Committee of our body - the new equipment manufacturer undertakes to pay FECAFOOT a much higher amount a year, compared to the other contenders.

The partnership also includes a commitment to provide each year equipment for the national teams and a VIP bus for the Indomitable Lions of Cameroon.

The new equipment manufacturer also undertakes to make available, at reasonable prices, equipment for the fans of the national teams.

In view of the confidentiality contractually required by its partner, FECAFOOT refrains from publishing the exact amount of the transaction. But can assure that it is the most lucrative equipment contract ever concluded by Cameroon.

FECAFOOT thanks all the actors who have contributed in one way or another to the successful outcome of this selection process. The official signing of the contract will be announced later.
