## PRESS RELEASE N°011/FCF/SG/2024

The Executive Committee of the Cameroon Football Federation held a session this Monday, February 05 at the Yaoundé Hilton Hotel. The agenda focused on evaluating the performance of the Senior Men's National Team at the 2023 Africa Cup of Nations in Ivory Coast.

At the beginning of the meeting, the President of the Cameroon Football Federation, Mr Eto'o Fils Samuel, tendered his resignation to the members of the federal executive organ, inviting them to do likewise in good faith.

At the end of discussions and subsequent deliberations, the members of the Executive Committee decided to maintain their current mandates and thus unanimously rejected the President's resignation thereby renewing their confidence in him to continue with the same spirit of reconstruction and development of Cameroon football at all levels as envisaged in his plan adopted by the elective General Assembly of December 11, 2021.
