PRESS RELEASE N°121/FECAFOOT/SG/SGA/24

The Cameroon Football Federation wishes to inform the national and international public that it has received a letter from FIFA on 26 August concerning the situation of conflict between the Cameroonian Football Association (FECAFOOT) and its supervisory body (MINSEP), which is disrupting the smooth running and organisation of football activities, particularly with regard to international matches.

FIFA recommends that FECAFOOT cooperate and work calmly with all parties involved, while respecting each other's competences, in order to avoid the actions of certain parties being perceived as interference, which could lead to sanctions against Cameroon.

In this regard, FIFA guarantees the independence and autonomy of FECAFOOT in the management of its sporting and organisational affairs, in accordance with its statutes.

FECAFOOT thanks the Apex Body for its interest in the smooth running of football in Cameroon and takes note of all its recommendations, in particular those concerning the urgent revision of the MINSEP/FECAFOOT agreement of 5 February 2015.

It also wishes to reiterate that it is still waiting for MINSEP's kind response to revise the aforementioned agreement as soon as possible, as recommended by FIFA and requested in the letter sent to it on 20 August 2024, to which a draft revision was attached.

As usual, the Cameroon Football Federation undertakes to work in strict compliance with the texts and guidelines contained in the aforementioned letter, any violation of which, of whatever nature, would result in the suspension of Cameroon.
