29.1. The approval of a Championship match is done by right by the General Secretariat of FECAFOOT if the reports of the officials do not mention any violation of the Statutes, Codes, Regulations, decisions and directives of FECAFOOT.

29.2. In the aforementioned case, a validation note from the Secretary General of FECAFOOT confirms the results achieved on the field and establishes the official ranking of the clubs throughout and at the end of the different phases of the competition.

29.3. In the event of a violation of the Statutes, Codes, Regulations, decisions and directives of FECAFOOT, the Federal Commission for Approval and Disciplinary Action shall decide within a minimum period of 14 days.

Article 32 : Impassable terrain – lack of visibility and insecurity

32.1. The referee alone is qualified to declare a pitch unplayable. He may make this decision upon arrival at the venue. If there is still time at that point, he must make every effort to inform both clubs of his decision.

32.2. A match that has not begun due to an unplayable pitch and/or poor visibility or safety concerns will be played the following day. If the conditions that led to the postponement persist, the match will be rescheduled for a later date.

32.3. A match which has begun to be played and during which the duration of the interruption is more than 45 minutes due to inclement weather and/or lack of visibility is definitively stopped by decision of the referee.

32.4 The start of the count of interruptions referred to in paragraph 3 above shall be noted by the referee in the presence of the captains of both teams and the Match Commissioner. This count may not exceed 45 minutes.

In this case, only players from the club that qualified on the date of the interrupted match are authorized to participate in this replay. The match will continue for the remaining time with the score at the time of the stoppage.

32.6 If the match is interrupted due to safety concerns, the referee will assess whether the conditions for resuming play are met. However, the duration of this interruption may not exceed 45 minutes; otherwise, the match will be definitively abandoned.
