PRESS RELEASE N°084/26/FECAFOOT/SG/DCOM

The President of the Cameroon Football Federation (FECAFOOT) is pleased to announce the conclusion of an agreement with the Turkish Football Federation for the organization of two international friendly matches between the senior women's national teams of Cameroon and Turkey.

These two matches, which form part of the Indomitable Lionesses' preparations for the forthcoming FIFA Women's World Cup, will take place in ***Antalya, Turkey, on 1 and 4 December 2026,*** respectively.

The choice of Turkey reflects a clear sporting objective: to give the African champions the opportunity to face a competitive national team with a different level of experience and style of play, thereby strengthening their preparations ahead of the global tournament.

This double-header will provide the technical staff with a valuable opportunity to assess the team's overall performance, experiment with different tactical options and strengthen collective cohesion, while allowing the players to gain further experience against quality opposition.

The President of FECAFOOT wishes to emphasize that this initiative is part of a broader commitment: to spare no effort in providing the Indomitable Lionesses, the reigning African champions, with the best possible preparation conditions ahead of the FIFA Women's World Cup in Brazil. To this end, the Federation intends to mobilize the necessary sporting, logistical and organizational resources to enable the national team to represent Cameroon with honour and ambition on the world stage.

The President of FECAFOOT expresses his gratitude to the Turkish Football Federation for its availability, spirit of cooperation and the constructive discussions that made this agreement possible.

Finally, he calls on Cameroonian supporters and all football enthusiasts to remain fully mobilized and to continue giving their unwavering support to the Indomitable Lionesses as they embark on this new stage of their journey.

Done in Yaoundé, on 13 November 2026

MANDONG Isaac Noé
SECRETARY GENERAL
